

Resource Centre for Suicide Prevention (RCSP)
.....helping to reduce suicide and its effects in our region for over 40 years!!

Silent Auction Request Form

RCSP's vision is to reduce suicide, suicidal behavior, and their effects by promoting positive alternatives and building healthy coping skills. Our focus is to raise awareness and understanding of mental health and promote open dialogue in our community about mental health concerns. Our services include suicide prevention, intervention training, public education, support group services, coping skills programming, and postvention services. Your donation will help support all programs managed under the umbrella of RCSP including Connect, the Phoenix and Gryphon Youth Groups, Community Helpers, Tough Enough to Talk About It, Men's Support Group, Men's Talk, and Suicide Bereavement Support Groups, as well as our newest program, Men's Shed. Men's Shed is a program that provides a peer-supported environment where men can connect, build, and share.

Although we receive support from provincial and municipal governments, much of the vital work we do still depends on raising over \$105,000 in the community each year. On Saturday, September 23, 2023, we will host 'Building Connections, Creating Conversations', our 13th Annual Chair Extraordinaire, including dinner, a live auction of theme-based accessorized chairs, and a silent auction at the TARA Centre.

Our goal is to raise \$20,000 through the silent auction, and you can help by donating an item suitable for auction. If a cash donation is a better choice for you, we have a dedicated group of volunteer shoppers. Auction items may be combined with other items to increase total package values and must be received on or before September 18th, 2023. If you wish to support our auction, please know that you are helping us to help those in need. To submit a silent auction item, please complete and submit the attached form by email to admin@sp-rc.ca or call our office at 780-539-6680, if you have any questions. We will do the rest!!

We are grateful for your donation and appreciate your support to our organization.
